"The evening of Lights 2013"

For the sixth consecutive year, the municipality Havlíčkův Brod donated a more than 10 meter high Christmas tree to Brielle. This year was the transportation of the tree from the Czech Republic again provided and sponsored by the company "Alphatrans International". Many parents came with their children on December 13th to "the evening of lights", partly because many children of the schools had made a drawing. All the drawings were hung around the tree.

At seven o'clock Mrs. G.W.M. Viegen, mayor of Brielle, welcomed all attendees and thanked the partner city Havlíčkův Brod for the beautiful tree. She thanked also all the volunteers and sponsors who make it possible that a Xmas tree is already for the sixth time in the center of Brielle.

About 350 enthusiastic people, who all received a Christmas hat and a lyric booklet listened to the Infirmary Choir. Finally, all the children who made a Christmas drawing, got Christmas tree ornaments from the Czech Republic. Then there was delicious mulled wine or hot chocolate.

Plans HBBC for 2014

The exchange year starts of course on the first of April, when another group "Geuzen" (beggars) from Havlíčkův Brod is coming to help the people in Brielle to liberate them from the Spaniards. The Brod group is usually a mixed company of all kinds of professions. So many people from Havlickuv Brod have the opportunity to make contacts in Brielle. We hope to receive some public attractions.

Then it's time for the people from Brielle to attend the liberation festivities on May 8 in Havlíčkův Brod. As a thank you for the beautiful Christmas tree, the people in Brod get each year a treat. This year it will be a surprise.

Are you interested to come with us or want to investigate the possibility for an exchange? Please contact one of the HBBC members. The first step towards a beautiful experience for your club or group! In December 2014 we hope to have again a nice big tree on the Markt in Brielle
